Bored Much?

How many of us enjoy being bored? *Not many!*

This spring our lessons will dive in to the exciting life God has for us. Even though there are boring Christians, life pressing in to God IS NOT BORING. When you commit to following wherever God leads, he will wake you up and take you into his world-changing plans.

Tuesday Nights this Spring:

Satan loves when followers of Jesus just settle for comfortable and boring lives. It means those believers don't really make a difference in Jesus' mission to save the world. We're going to dive in to ways to get out of comfort and into God's mission!

Listening to God

Ever wanted to grow in listening to God?

Spending time reading God's word (the Bible) is a great place to nurture your relationship with God! *We've included Bible reading plan bookmarks for you to use – just cut them out and keep this week in your Bible.* This plan will get you through the Bible in a year. If that's too much reading for you in a day, feel free to bite off what you can chew!
